Evansburg, Evansburg, AB

This family home is filled with sunlight and provides 2800 square feet of space for everyone. You'll immediately be welcomed into a large family room that wraps into an eating area with deck access. The beautiful kitchen offers an inviting space to enjoy many meals with family and friends, inside or outside. Notice that the main level also offers a sunny laundry room and provides three bedrooms. The primary bedroom has a two-piece ensuite with plenty of storage space in the vanity. The lower level has a few options that are flexible for your needs. A great space for your family that includes two more large bedrooms, a cozy family room, a four-piece bath, storage, and flex spaces. Or, with the separate entrance and roughed-in laundry area, there's in-law suite potential. Good news, the newly built Murphy Bed is also included. The detached double-car garage is drywalled and heated. A Provincial Park is minutes away and offers many activities, including famous Pembina River rafting. Live your best life here!
