None, Rural Beaver County, AB

Incredible opportunity to own 80 acres of agricultural land right beside the Village of Ryley with paved road access and excellent proximity to Highway 14. This expansive parcel offers open pasture, a dugout, and a collection of older homes and outbuildings that have mostly reached an unuseable state, but may offer salvage potential. Please do not enter buildings. Zoned AG, this land is ideal for grazing, hobby farming, or future development. Land was previously tilled many years ago. Adjacent to established industrial lands, this location provides excellent access and long-term potential while still offering rural peace and privacy. Utilities to the property include natural gas, power and phone. Well on site. A rare chance to invest in a spacious and versatile property with direct access to town amenities and regional transportation routes.
